	St Peter's morning services are really freindly lively places to worship. we have loads of young families with children, teens, mature adults and older people too. We are delighted to be a really diverse church and celebrate our faith in Jesus with worship, Biblical teaching and Holy Spirit ministry. There is a supervised crech as well as fantastic Kid's Church groups for ages up to 14. Stay for a lovely coffee of cake in our Cafe Revival after the service.
